FAQS

WALL MURAL?

A mural is any piece of artwork painted or applied directly on a wall, ceiling or other permanent surfaces. A distinguishing characteristic of mural painting is that the architectural elements of the given space are harmoniously incorporated into the picture.

WHY CREATIVEBRE™?

It could be said that I have a graphic design painting style. The style includes clean lines, solid saturated color and bold black lines to exaggerate features. In creating a work of art, I focus on how different shapes work together to form an image. I carefully craft my paintings so that each one is unique and meaningful to each client.

Having a wall as a canvas is no challenge for CreativeBre™. The more space, the bigger the imagination.

FAQs.

HOW DO I MEASURE MY WALLS?

Using measure tape, start from the top of the ceiling and measure down to the floor to measure the height. Then, measure from corner to corner for the width. Or, measure the length and width of the space you would like painted.

HOW LONG WILL IT TAKE TO COMPLETE THE WALL MURAL?

It depends on the size of the wall and the detail in the design. Most murals will take between 1 – 3 days.

IS THERE A CHARGE PER COLOR?

No. Based on the size of your wall, there will be a flat fee. There is no limit of colors for your design.

WHO PROVIDES THE SUPPLIES FOR THE MURAL?

I will provide all materials to complete the project. (paint, brushes, lighting, ladder etc.)

WILL YOU TRAVEL IN ORDER TO COMPLETE MY WALL MURAL?

I will only travel by car in order to complete a wall mural. I am located in Maryland. To have a custom mural completed out of the state, the client must pay for travel fees which will be added to the final price.

DO I NEED TO COVER MY FLOORS?

It's not necessary but if you want to, you can. I will provide all of the materials need to protect your floors.

WHAT IS THE REFUND POLICY IF I DO NOT LIKE THE END RESULT?
